**RE: SRS 489 visa application for regional sponsorship**

I, *[YOUR NAME]* of *[ADDRESS]*, citizen of *[COUNTRY]*, wish to migrate to Australia. I am seeking regional sponsorship for the Skilled – Regional Sponsored (provision) subclass 489 visa from the Southern Inland Region of NSW.

***[Paragraph on reasons for migrating to Australia and seeking sponsorship from Southern Inland]***

Having researched the career opportunities in the Southern Inland region, I feel that I have a reasonable chance of finding a position which will suit my skills and abilities. I am willing to commit to live and work in the Southern Inland region for a reasonable time (at least two years) and to make genuine attempts to find work, in accordance with the terms and conditions of my visa.

I understand that sponsorship from RDA Southern Inland is not a guarantee of work, or assistance in finding work. I understand that it will be my responsibility to find work, and that this work does not necessarily have to be in my professional occupation. I understand that it is my responsibility to keep RDA Southern Inland up to date with my living and working arrangements.

My undertaking is to

- Relocate to the Southern Inland Region within 90 days of your Visa being granted by the Department of Immigration and Border Patrol.
- Live and work in the Southern Inland Region for a minimum of 2 years. And are required to work full time in the Region for at least 12 months within that 2 year period. It is expected that the 2 year period is the first two years of your Visa.
- Make a fair and genuine effort to find employment in the Southern Inland Region.

Yours Faithfully,
